

PhoCheck+

The world's most advanced PID

PHOCCHECK[®]+

Applications include:

- **STEL and TWA monitoring**
- **Atmosphere monitoring**
- **Environmental clean-up**
- **Landfill surveillance**
- **Petrochemicals**
- **Confined space entry**
- **First response HazMat/WMD**
- **Industrial painting**
- **Arson Investigation**
- **Leak detection**
- **Indoor air quality**
- **Soil contamination**
